

FSR FL-300-FF-DDBR Installation Instructions

244 Bergen Boulevard, Woodland Park, NJ 07424, Phone: 973.998.2300 - Fax: 973.785.4207

NOTICE: For installation by a qualified electrician in accordance with all national and local electrical codes and communication standards. Adhere to the following instructions and any instructions included with the individual components.

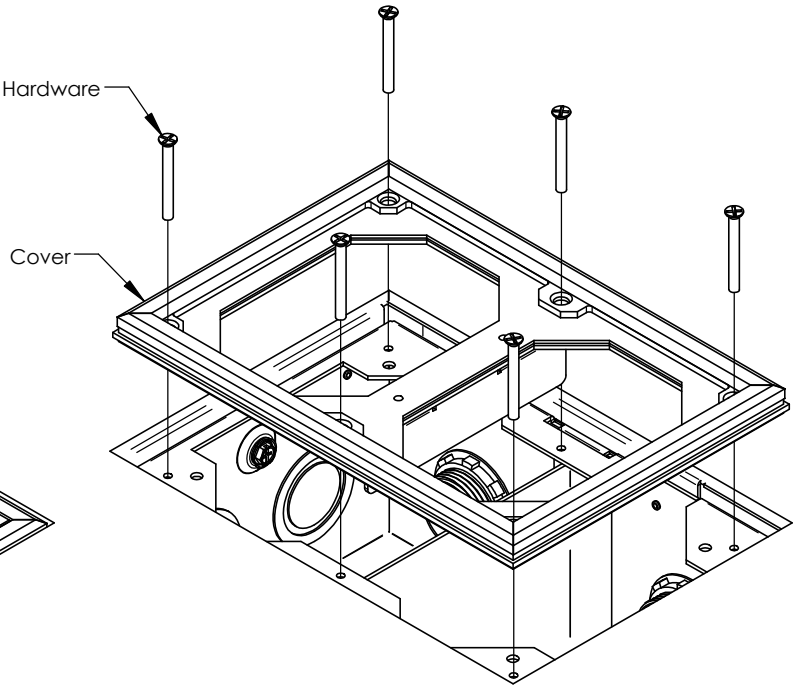

Step 1

If FL-300/340 cover is installed disconnect any electric connections if required and remove conduit, conduit plates etc (blank plates shown). Retain blank plates and hardware for possible reuse.

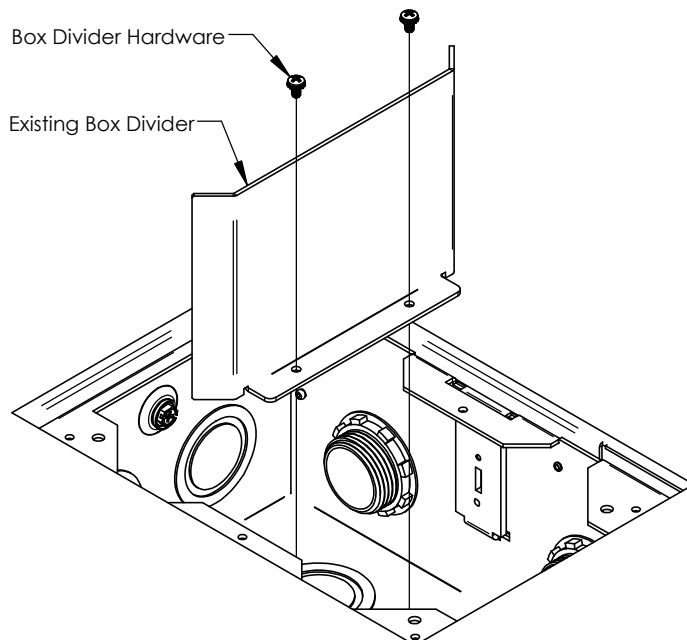

Step 2

Remove Cover. Retain hardware for reinstalling Cover.

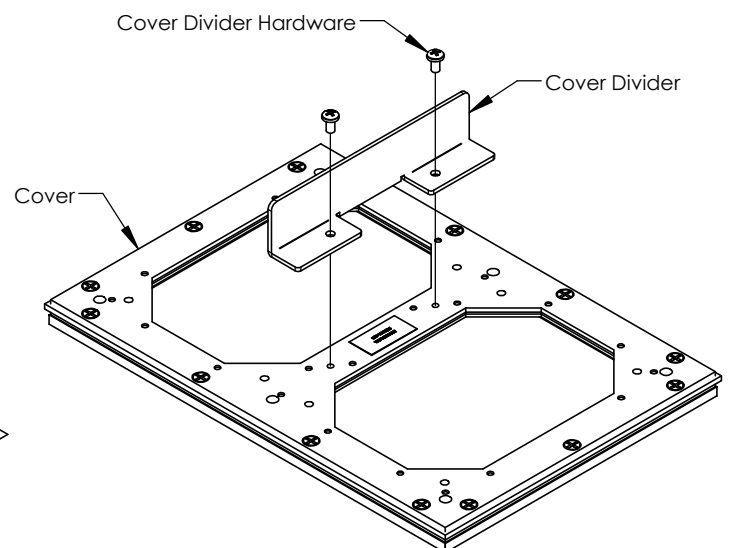

Step 3

If installed remove existing Box Divider. Retain hardware for installing Decorator Adapter Box Divider if required.

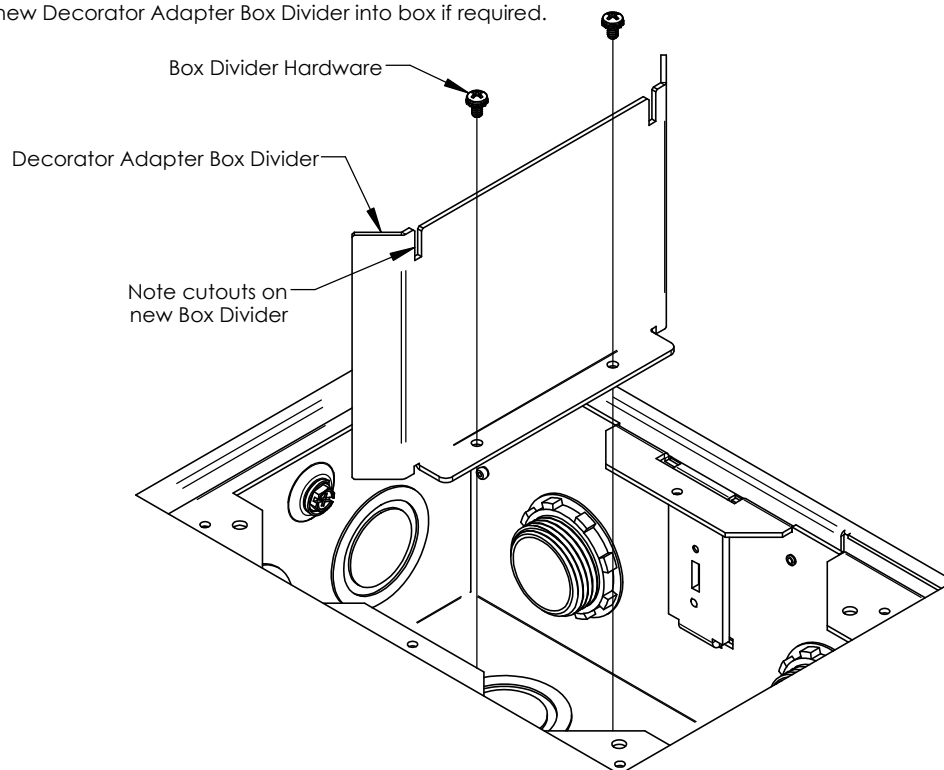

Step 4

If installed remove and discard existing Cover Divider. Retain hardware for installing Decorator Adapter Plate.

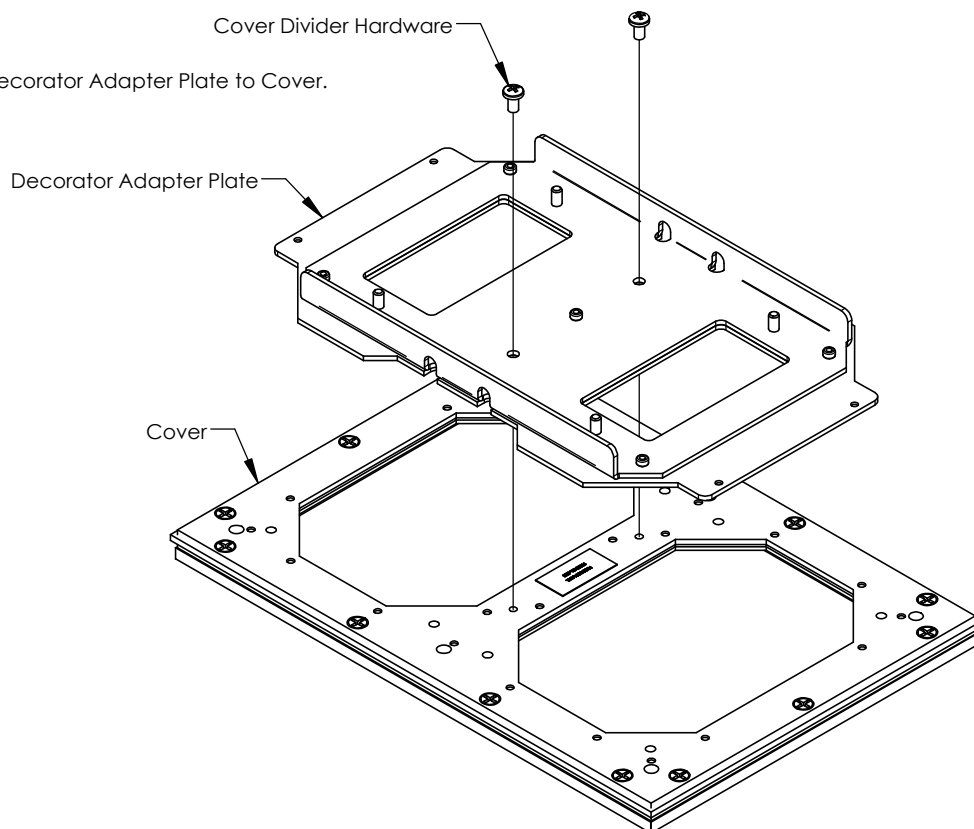

Step 5

Install new Decorator Adapter Box Divider into box if required.

Step 6

Install Decorator Adapter Plate to Cover.

Step 7

Install and wire Decorator Units (by others) as required unless to be done at a later time. Reinstall Cover per Cover Installation Instructions.

NOTE: Install Blank Plates when box is not in use.
