FSR INTERNATIONAL SERIES INTRODUCING THE NEW PWB-323 POWER BRACKETS

FSR's international series wall box brackets quickly adapt to any country's specific 45mm snap-in power outlet to fit into FSR's PWB-323 wall boxes. Our PWB-323-2E45 bracket provides openings for two 45mm sockets, while the PWB-323-4E45 bracket has four openings for four 45mm sockets. We offer a variety of international sockets to fit all your power needs.
