option.**

TOUCHSCREEN DESKTOP MOUNT DSKB-TSW-570 Series

The DSKB-TSW-570 series provides a durable mounting solution for the Crestron TSW-570 touchscreen. Engineered for both portrait and landscape orientations, these steel desk mounts offer a professional 45° viewing angle that enhances usability in any environment, from boardrooms and classrooms to hotels and control centers. Designed with integrators in mind, the touchscreen desktop mount provides flexible installation where wall mounting isn't feasible, while protecting valuable AV equipment. Finished in textured black for a modern aesthetic, the DSKB-TSW-570 delivers long-term reliability, ergonomic performance, and compliance with BABAA and TAA
