

CT6 Table Boxes

RETRACTOR
 Ready for up
 to 4 retractors

DESCRIPTION

FSR's line of CT6 Table Box solutions provide low voltage connectivity options including AC and USB Charging, cable retractors, gravity feed cable pulls, and our IPS and Simple Solutions pass-thru type connectors. The CT6 Table Boxes are 100% configurable for all your high and low voltage needs.

This elegant addition to your conference table includes multiple plate arrangements and overall plate depth adjustment; the cover can be closed while in use with cables exiting through the milled opening, a choice of finishes that include black anodized, or clear anodized aluminum.

Mounting is a snap! The mounting is always a 6" diameter round hole.

The CT6 can be ordered in a variety of configurations. Use the chart on the back of this sheet to simplify the ordering process.

APPLICATIONS

- Desks
- Lecterns
- Lab Tables
- Huddle Areas
- Boardroom Tables
- Control Consoles
