10” Fire-Rated Poke-Thru

FIRE RATED

c UL us

FSR

Metal Products Group

DESCRIPTION

FSR’s 10” Fire-Rated “Poke-Thru” floor boxes provide capacity, aesthetics and installation ease. These sturdy core hole products combine flexibility via recessed mounting bracketry to accommodate a wide assortment of power, data and audio video connection options.

Covers are available in three architectural finishes: Brushed Aluminum, Black and Brushed Brass, providing an attractive appearance with superior durability. The entire cover door swings open 180° and the two smaller cable access doors fold down for cable egress while the cover door is secure. The cover technology exceeds UL scrub water testing requirements.

A complete line of sub-plates for device mounting is available to populate the interior middle and end areas of the housing.

SPECIFICATIONS

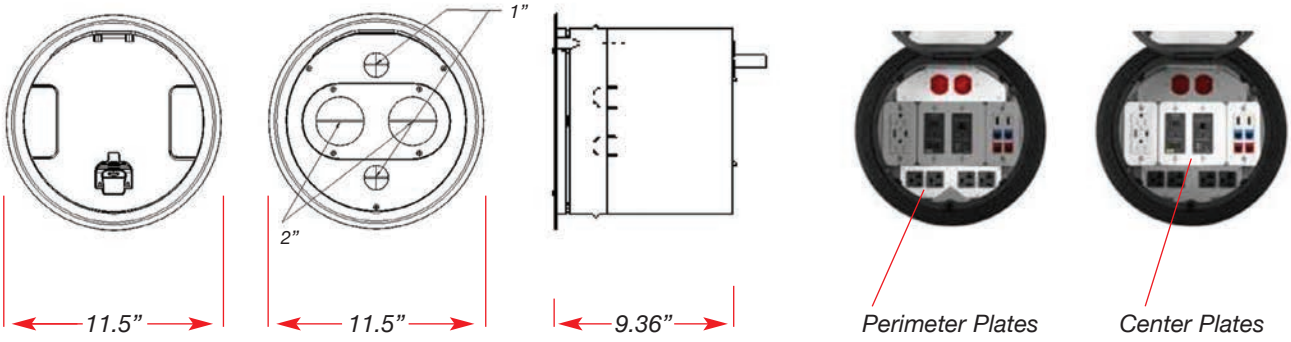

- *2-hour fire rating*
- *180° access door opening*
- *Flange height 0.16” and complies with ADA requirements*
- *Power wiring junction box included*
- *Complies with UL514A for scrub water test*
- *1000 lb. cover load rating with 2x safety factor*
- *ULC and cULus*

FEATURES

- *Drop down cable access doors to reduce trip hazards*
- *Pre-pour tubes to remove the need for core hole drilling*
- *Sub-plates to accept third party devices*
- *NEMA device spacing available*

All Fire-Rated Poke-Thru’s are Buy American compliant
