

CONNECT WITH **FSR**

Introducing the next generation of ceiling boxes **THE CB-12+ SERIES**

**Compact,
Feature-Rich
Ceiling Boxes with
Enhanced Security and
Improved Accessibility**

The CB-12+ ceiling boxes combine a smaller form factor with advanced features, including integrated threaded rod mounts, a lockable cover latch, optimized internal space with prewired AC and fan arrangements, efficient cable management, and a versatile dual-tilting equipment shelf for easy installation and maintenance.
