SMART-WAY QuiK

IT'S A FULL RACEWAY SYSTEM IN A BOX

FSR
Power Products Group

Smart-Way raceway products meet the Build America Buy America Act (BABAA) and TAA requirements

Patent No. 10,862,283

DESCRIPTION

Introducing Smart-Way QuiK – a complete, easy-to-order raceway system in a box. There is no need to specify multiple components separately – choose the length and finish that suits your needs. The Smart-Way QuiK offers an all-in-one solution for managing power, data, and cables across any space, designed to meet the dynamic demands of today's work environments. With the Smart-Way QuiK, you're adding an affordable and effective way to enhance your workspace's look and functionality. Whether for power, communication, or AV needs, the Smart-Way system ensures that cables are always managed efficiently and discreetly.

The Smart-Way QuiK includes everything needed to configure a cable raceway in one convenient package: an in-feed, raceway, device box, and end stop. This all-in-one system is available in three length options: 6 feet, 9 feet, and 12 feet. The QuiK comes in slate and aluminum finishes, ensuring a modern appearance that fits any space. Perfect for anywhere wire management is desired! (All parts included to have your electrician wire and install the system)

FEATURES

- *Installs on top or in any flooring for a quick installation Ultra-low profile*
- *ADA compliant*
- *Available in 3 lengths: 6, 9, and 12 feet*
