TC-WC1
In Table Wireless Charger

FEATURES
- Convenient Simple Installation
- Water Resistant
- Anti-Skid Surface
- Fast Charging
- Available in Black or White
- Aluminum Bezel

DESCRIPTION
The TC-WC1 “In Table” Wireless Charger is compatible with all Qi Standard Devices and will fast charge any Samsung device with wireless adaptive fast charging as long as the unit is powered by an adaptive fast charge power supply. FSR provides these power supplies with certain models (See ordering table). The unit mounts through a hole cut in the table and is easily secured from under the table with the supplied threaded collar. The TC-WC1 is offered in Black or White to blend with the décor.
